LOWELL CARPETS

Have been acknowledged to be the BEST.

The grades have never been lowered, and the Company unhesitatingly challenge comparison with the production of any manufacturer in the world.

The LOWELL INGRAINS are wound upon a hollow stick, which the U. S. Superior Court decided to be a valid trade-mark. The public is thereby thoroughly protected against deception.

The word "LOWELL" appears in CAPITAL letters in the back of Lowell, Wilton and Body Brussels at every repeat of the pattern.
